Air Inlet Grille Panel Extension Replacement

[Click here for full size](#)

Callout	Component Name
1>	Air Inlet Grille Panel Extension Note: Some components not shown for graphic clarity. Procedure 1. Apply two layers of masking tape around the top edge of the service part to prevent paint damage. 2. Using a suitable flat bladed plastic tool, release the air inlet grille panel extension from the air inlet grille panel extension clips. 3. Using a 50/50 mixture of isopropyl alcohol and clean drinkable water and a clean towel, remove the left over adhesive residue from the masking tape.
