Number/Description

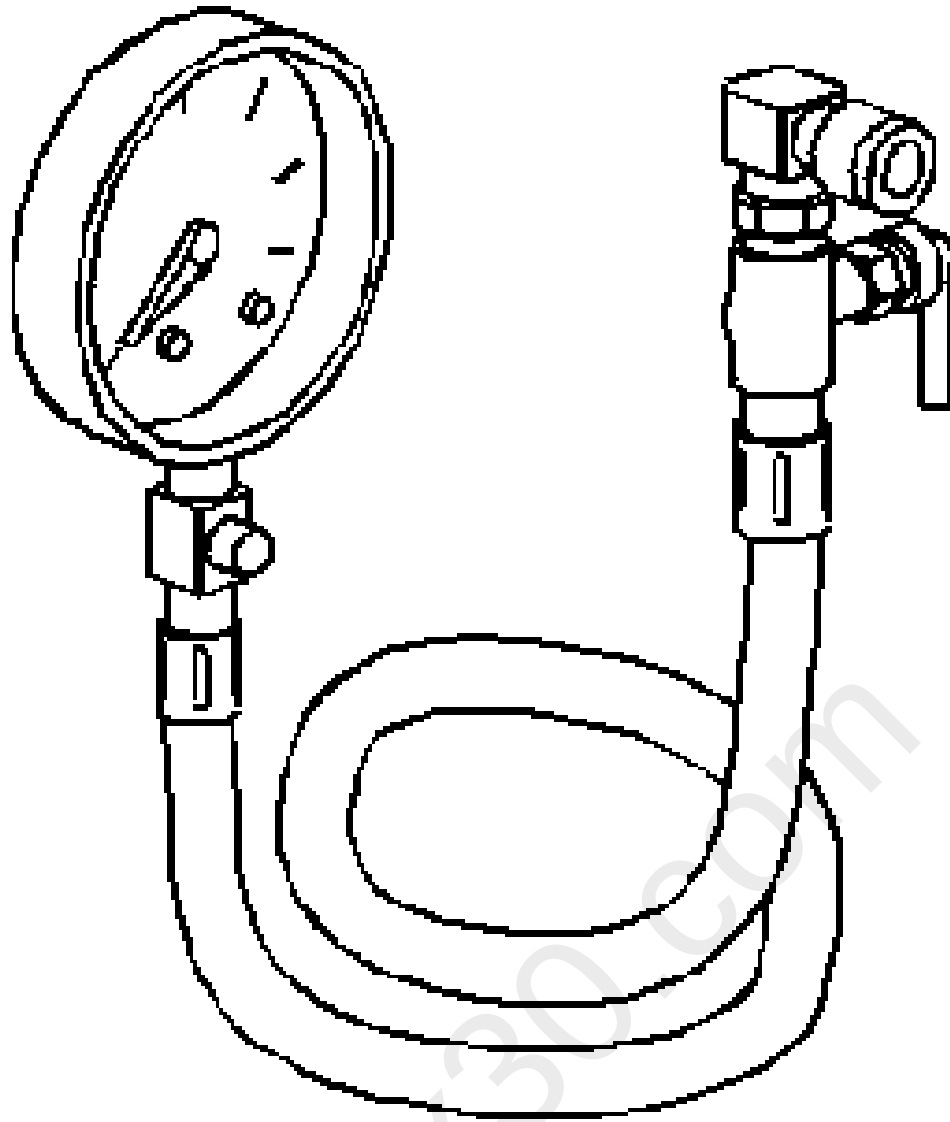

Illustration	Tool Number/Description
	EN-47909 Injector Bore and Sleeve Cleaning Kit

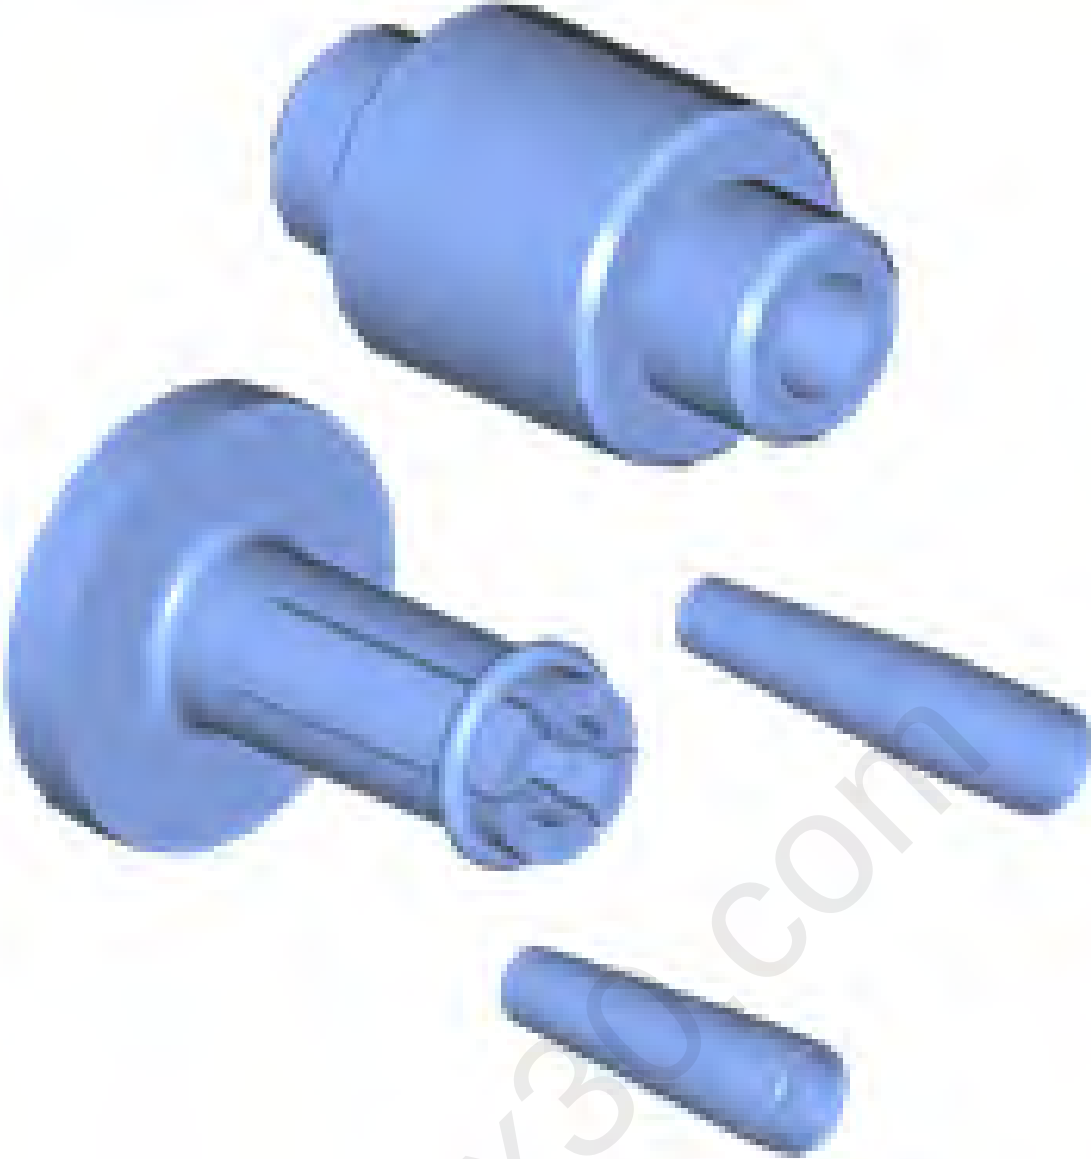

Illustration	Tool Number/Description
 The illustration shows four blue-colored mechanical components. At the top is a large, cylindrical component with a flange at one end and a smaller cylindrical protrusion at the other. Below it, to the left, is a smaller cylindrical component with a large flange on one end and a smaller cylindrical protrusion on the other. To the right of this are two long, thin, cylindrical components. A large, light gray watermark 'mcx30.com' is diagonally across the entire illustration area.	EN-49245 Fuel Injector Seal Install/Sizer

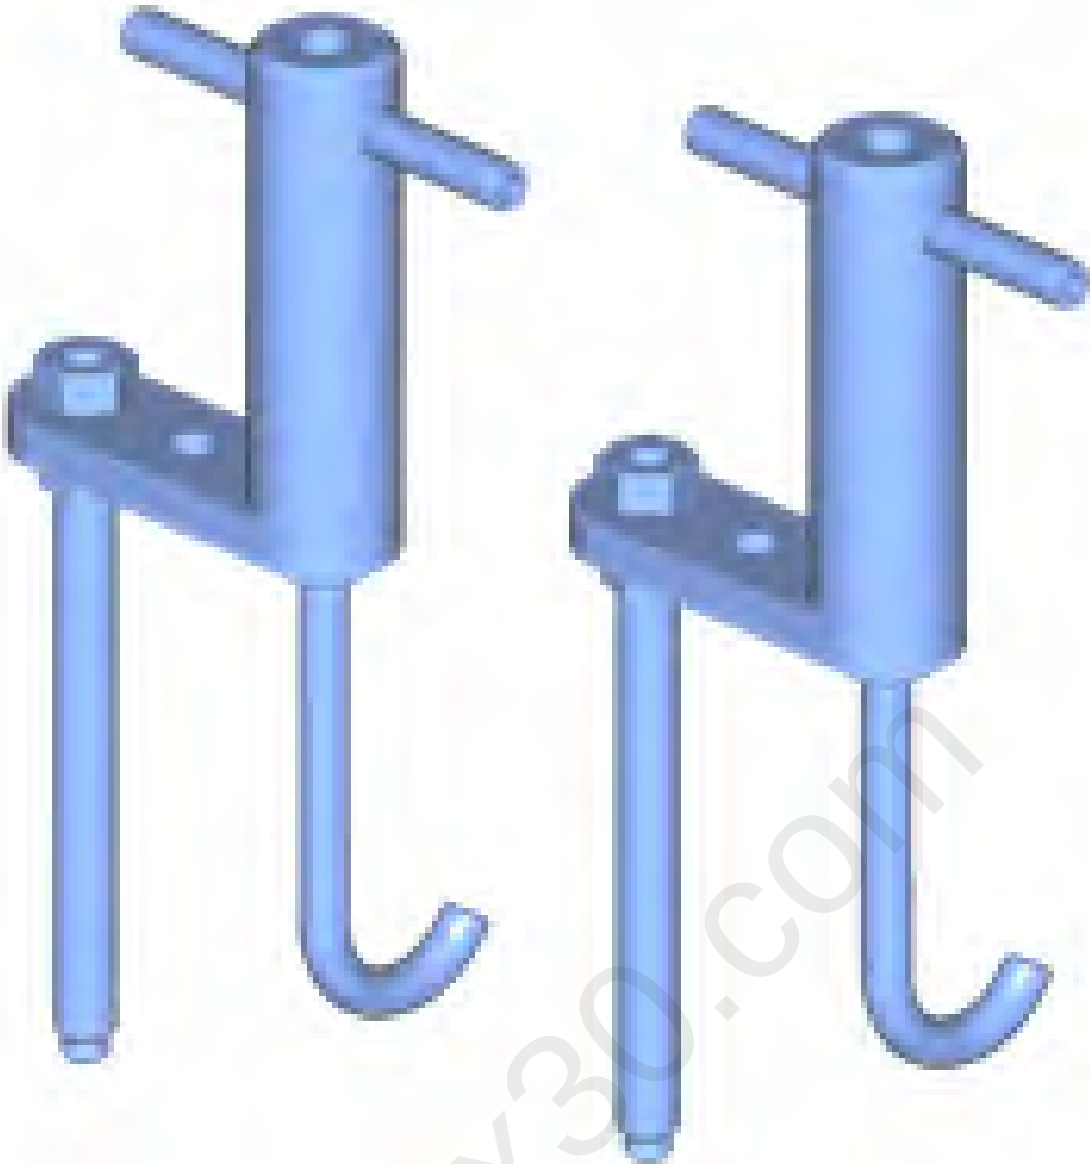

Illustration	Tool Number/Description
	EN-49248 Fuel Rail Assembly Remover

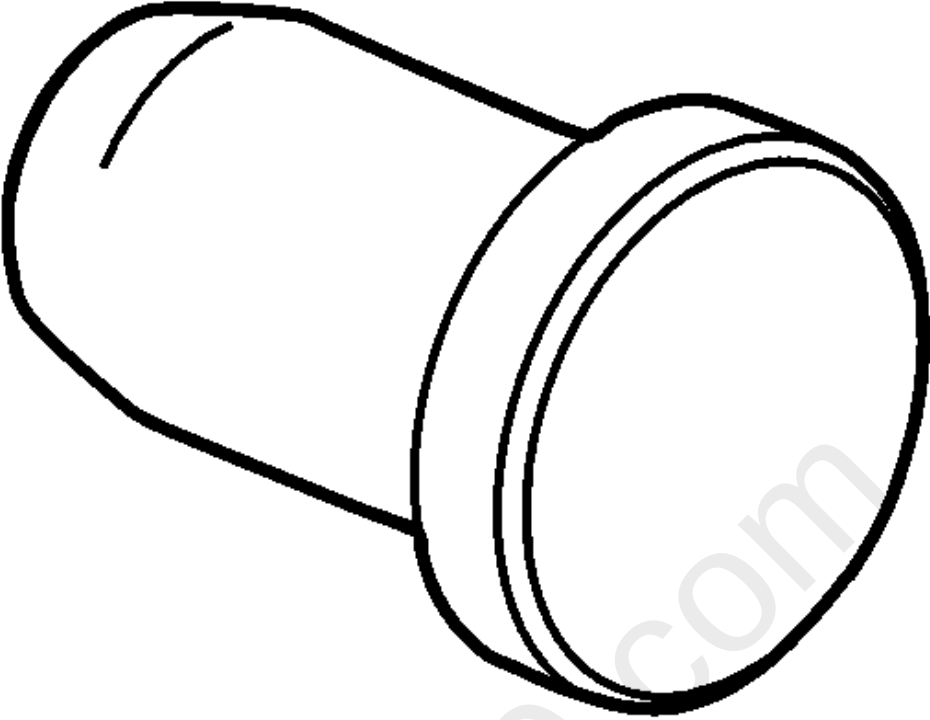

Illustration	Tool Number/Description
	EN-50790 HP Fuel Pump Installation Alignment Gauge

Illustration	Tool Number/Description
	EN-50791 Fuel Injector Nozzle Installer

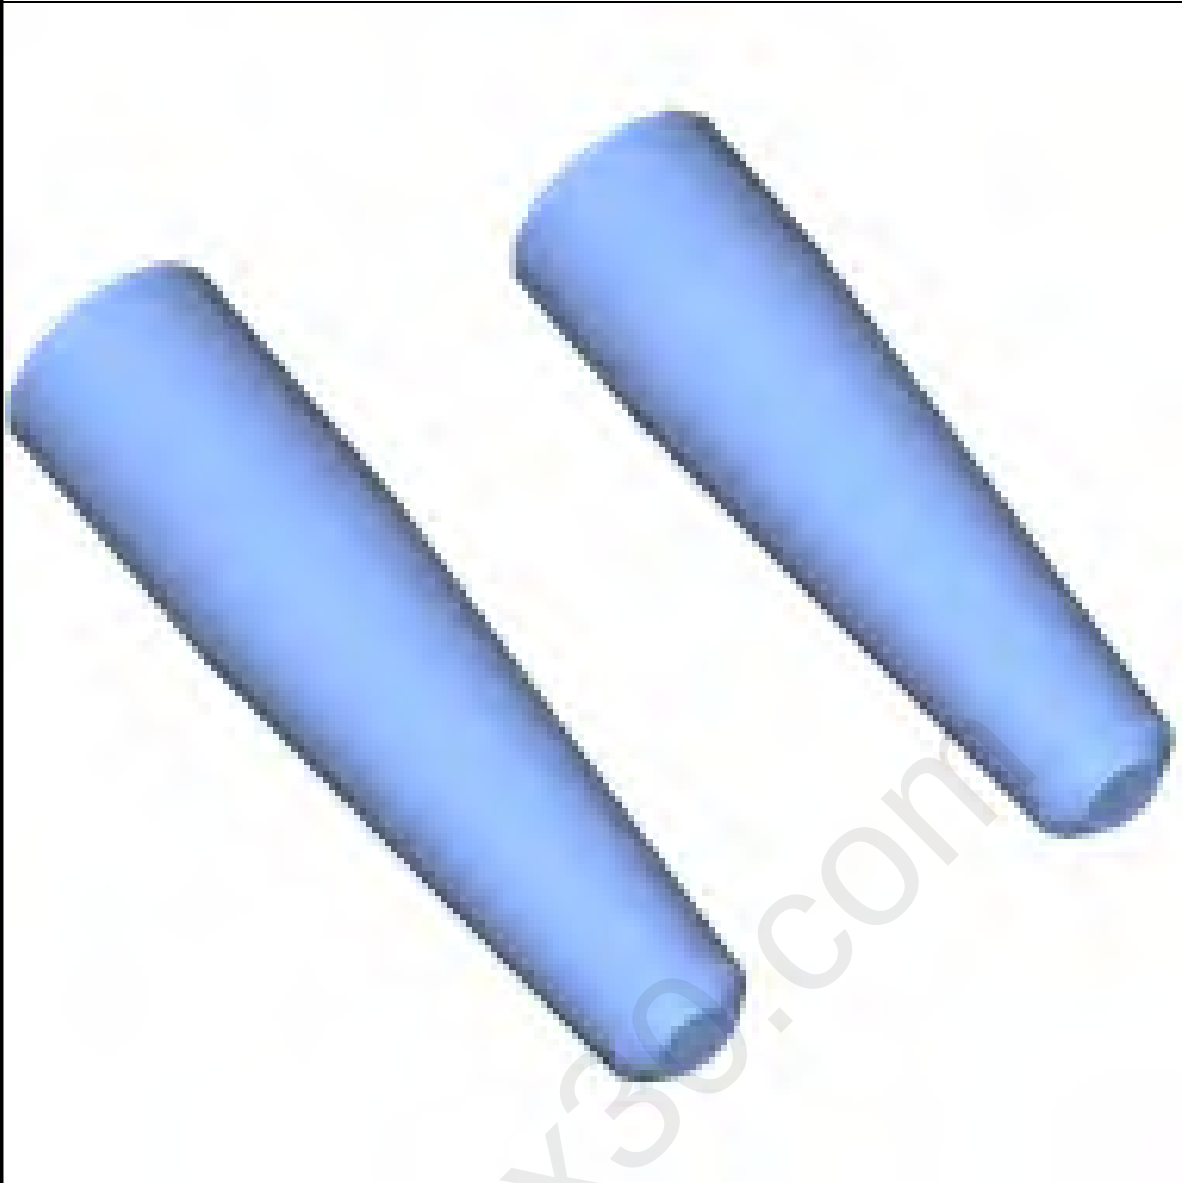

Illustration	Tool Number/Description
 The illustration shows two identical blue cylindrical components, which are fuel injector seals. They are positioned diagonally, one above the other. Each cylinder has a slightly wider base and a narrower top section. A large, light gray watermark 'mcx360.com' is oriented diagonally across the entire page, passing through both the illustration and the empty cell below.	EN-51105 Fuel Injector Seal Installer
	J-39194 Oxygen Sensor Wrench
