	DT-45866 J-45866 Seal Installer

--

Illustration	Tool Number/Description
 A line drawing of a fuel tank sender wrench. It consists of a long, curved handle. At the top of the handle is a circular head with a cross-shaped opening in the center. A cable is attached to the handle, extending from the circular head down to a connector at the end. The connector has a small, rectangular plug. A watermark 'mcx30.com' is visible diagonally across the drawing.	EN-48482 Fuel Tank Sender Wrench

Illustration	Tool Number/Description
	EN-51146 Fuel Injector Removal / Installation Kit

Illustration	Tool Number/Description
	EN-51146-100 Fuel Injector Removal Plate

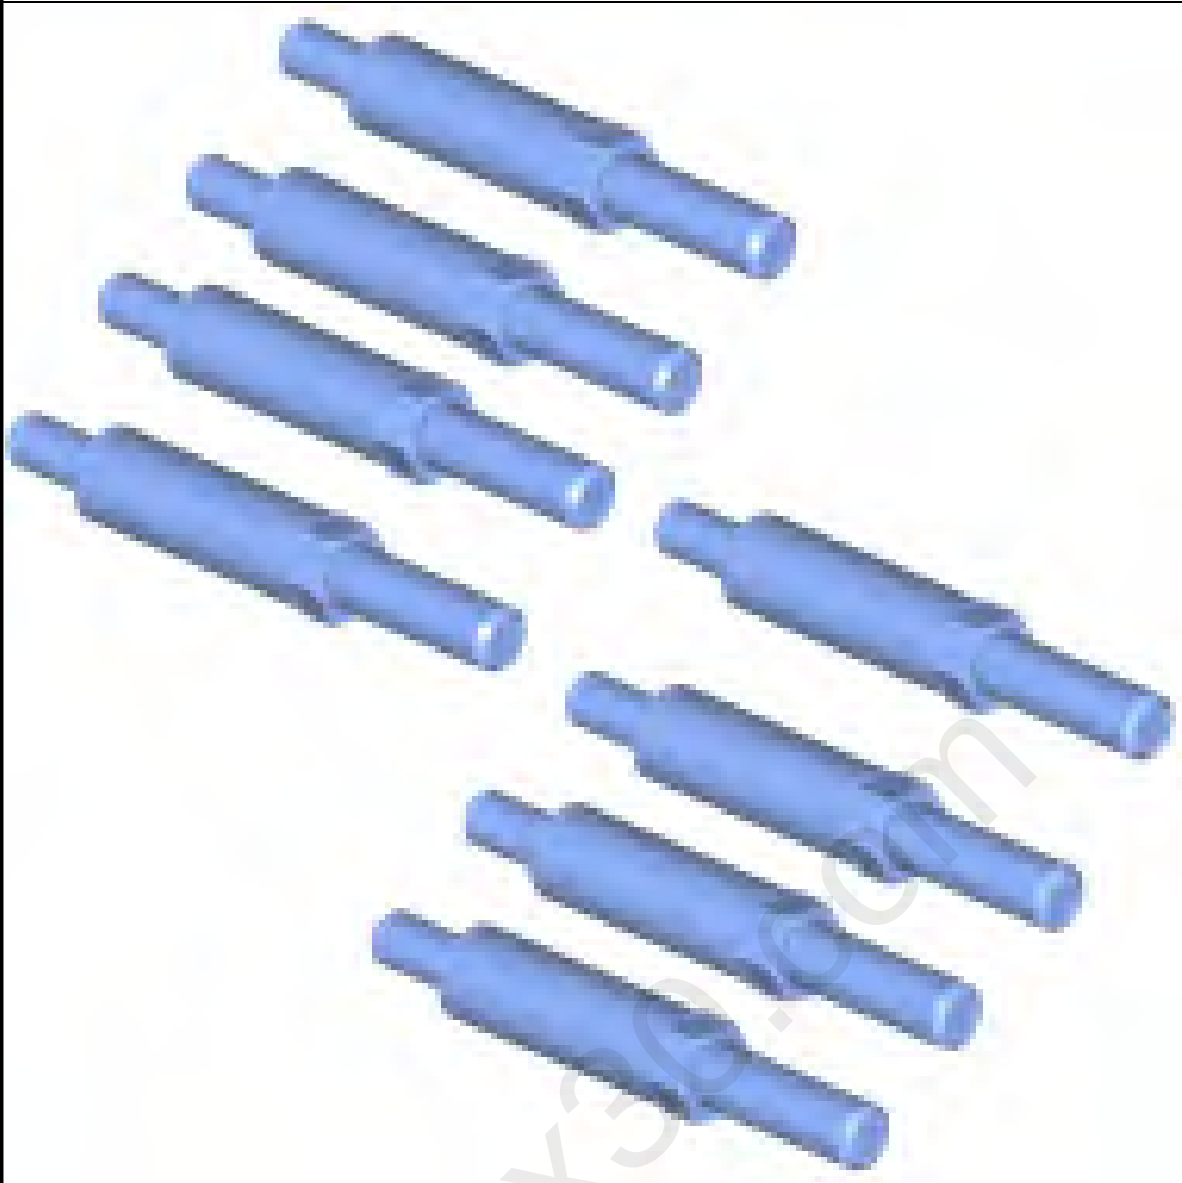

Illustration	Tool Number/Description
 The illustration shows 12 blue, cylindrical tools with a hexagonal base and a threaded section, arranged in two columns of six. A large, light gray watermark 'mcx30.com' is diagonally across the image.	EN-51146-150 Injector Remover/Installer Adapters

Illustration	Tool Number/Description
 A blue, L-shaped alignment gauge tool. It consists of a long, cylindrical handle and a shorter, wider cylindrical head. The head has a flat, circular top surface. The tool is shown from a three-quarter perspective, highlighting its L-shape and smooth, metallic finish. A large, diagonal watermark 'mcx30.com' is visible across the image.	EN-51365 High Pressure Fuel Pump Installation Alignment Gauge

Illustration	Tool Number/Description
 A blue, cylindrical tool, likely a sensor installer/remover, shown at an angle. It has a hexagonal base with a central hole and a small circular hole at the top. A watermark 'mcx30.com' is visible across the image.	EN-6179 KM-6179 J-44626 Oxygen Sensor Installer / Remover
