

Communications Network - System Operation and Component Description

System Operation

System Diagram

NOTE: For vehicles equipped with pre-collision assist, the CCM does not communicate directly on the HS-CAN2. The CCM communicates with the IPMA on a private CAN, and the IPMA communicates on the HS-CAN2. For description and diagnostic information, refer to Section 419-03B.

Item	Description
1	IPC
2	DDM
3	PDM
4	DSP
5	RGTM
6	PCM
7	SODL
8	SODR
9	FCIM
10	RTM
