Item	Description
1	Output planetary carrier hub
2	Output sun gear and shell assembly
3	Output carrier
4	Input sun gear
5	Input carrier
6	Reaction/overdrive carrier
7	Overdrive sun gear and shell assembly
8	Reaction sun gear and shell assembly

Planetary Gearset Cutaway View

Planetary Gearset

This transmission has 4 planetary gearsets to provide operation in reverse and 8 forward speeds.

The gearsets are comprised of the following components:

- Output planetary sun gear/shell
- Output planetary carrier
- Output planetary ring gear
- Input planetary sun gear
- Input planetary carrier
- Input planetary ring gear
- Reaction/overdrive planetary ring gear
- Reaction/overdrive planetary carrier
- Reaction sun gear
- Overdrive sun gear/shell
