

SECTION 307-05: Automatic Transaxle/Transmission External Controls
REMOVAL AND INSTALLATION

2014 F-150 Workshop Manual
Procedure revision date: 10/25/2013

Selector Lever Button

NOTE: The selector lever button is part of the selector lever knob.

1. To install a new selector button, a new selector lever knob must be installed. For additional information, refer to [Selector Lever Knob](#) in this section.
