

SECTION 309-00: Exhaust System
GENERAL PROCEDURES

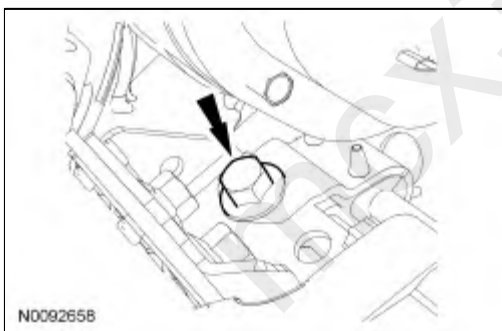

2014 F-150 Workshop Manual
Procedure revision date: 10/25/2013

Exhaust System Alignment

1. With the vehicle in NEUTRAL, position it on a hoist. For additional information, refer to [Section 100-02](#).
2. If equipped, release the 4 fasteners and remove the splash shield.

3. Loosen all exhaust system component fasteners adjoining the exhaust system.
4. Loosen the 2 front muffler isolator and bracket assembly bolts.
5. Loosen the LH isolator cap bolt.

6. Make sure the button on the exhaust intermediate pipe is fully inserted into the L-notch on the muffler and tail pipe assembly inlet pipe.
