

Review the recorded Diagnostic Trouble Codes (DTCs) from the TBM self-test.

**Is DTC U3003:16 or U3003:17 present in the TBM?**

|            |                                                                                   |
|------------|-----------------------------------------------------------------------------------|
| <b>Yes</b> | For DTC U3003:16, GO to Pinpoint Test E . For DTC U3003:17, GO to Pinpoint Test D |
| <b>No</b>  | GO to J4                                                                          |

**J4 RETRIEVE THE DIAGNOSTIC TROUBLE CODES (DTCs) FROM THE IPC (INSTRUMENT PANEL CLUSTER) SELF-TEST**

Using a diagnostic scan tool, carry out the IPC self-test.

**Is DTC U3003:16 or U3003:17 present in the IPC?**

|            |                                                                                                                  |
|------------|------------------------------------------------------------------------------------------------------------------|
| <b>Yes</b> | DIAGNOSE the IPC Diagnostic Trouble Codes (DTCs). REFER to: Instrumentation, Message Center and Warning Chimes . |
| <b>No</b>  | GO to J5                                                                                                         |

**J5 CHECK FOR DTC (DIAGNOSTIC TROUBLE CODE) U0155:XX SET IN OTHER MODULES**

Using a diagnostic scan tool, carry out the self-test for all modules.

Retrieve the Continuous Memory Diagnostic Trouble Codes (CMDTCs) from all modules.

**Is DTC U0155:xx set in 1 or more modules in addition to the TBM?**

|            |                                                                                                                                                                                                                                                                                              |
|------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Yes</b> | CHECK OASIS for any applicable Technical Service Bulletins (TSBs). If a TSB exists for this concern, DISCONTINUE this test and FOLLOW the TSB instructions. If no Technical Service Bulletins (TSBs) address this concern, INSTALL a new IPC.                                                |
| <b>No</b>  | CHECK OASIS for any applicable Technical Service Bulletins (TSBs). If a TSB exists for this concern, DISCONTINUE this test and FOLLOW the TSB instructions. If no Technical Service Bulletins (TSBs) address this concern, INSTALL a new TBM. REFER to: Trailer Brake Control Module (TBM) . |
