

Electronic Engine Controls - Component Location

Electronic Engine Controls- Front

Item	Description
1	VCT oil control solenoid
2	CMP sensor
3	CHT sensor
4	MAF and Intake Air Temperature (IAT) sensor
5	PCM

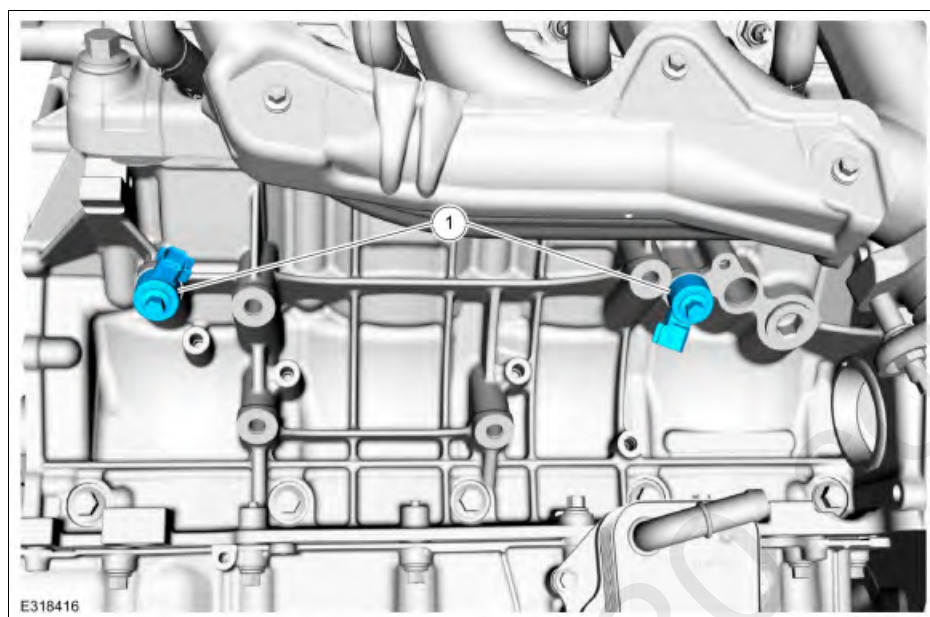

Electronic Engine Controls - Rear

Item	Description
------	-------------

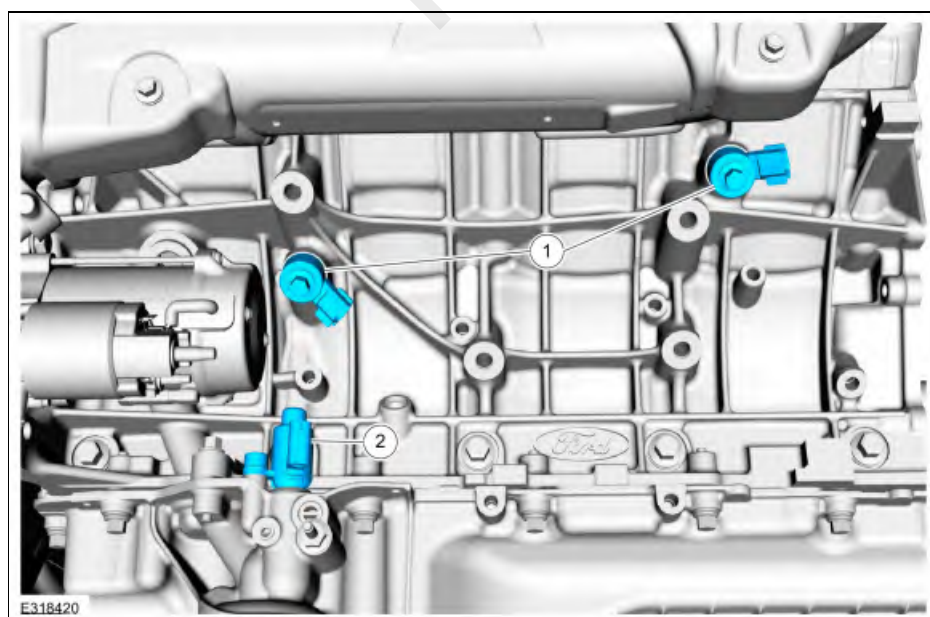

1	EOP sensor
2	Right Hand HO2S
3	Right Hand Catalyst monitor sensor
4	Left Hand Catalyst monitor sensor
5	Left Hand HO2S
6	CKP sensor

Electronic Engine Controls - LH side

Item	Description
1	LH KS sensors

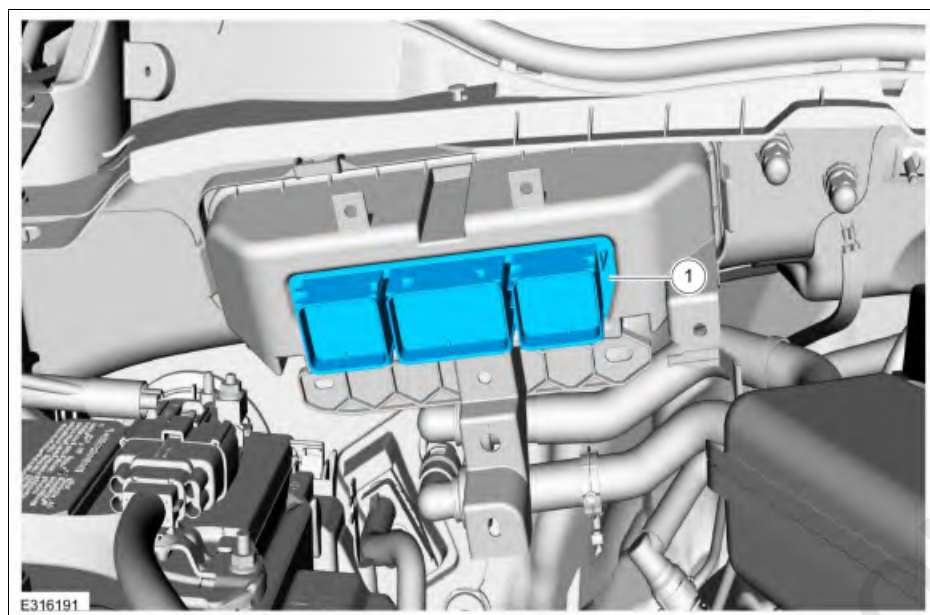

Electronic Engine Controls - RH side

Item	Description
------	-------------

1	RH KS sensors
2	Oil Pressure Control Solenoid

Powertrain Control Module (PCM)

Item	Description
1	PCM
