

Transmission Cooling - Component Location

Transmission Fluid Cooling System - 10R140, Gasoline Engines

Item	Description
1	Transmission fluid cooler
2	Engine coolant return hose
3	Engine coolant supply hose
4	Engine coolant control valve

Transmission Fluid Cooling System - 10R140, Diesel Engine

Item	Description
1	Transmission fluid cooler
2	Engine coolant control valve
3	Engine coolant return hose
4	Engine coolant supply hose
5	Engine coolant pump
