Description and Operation

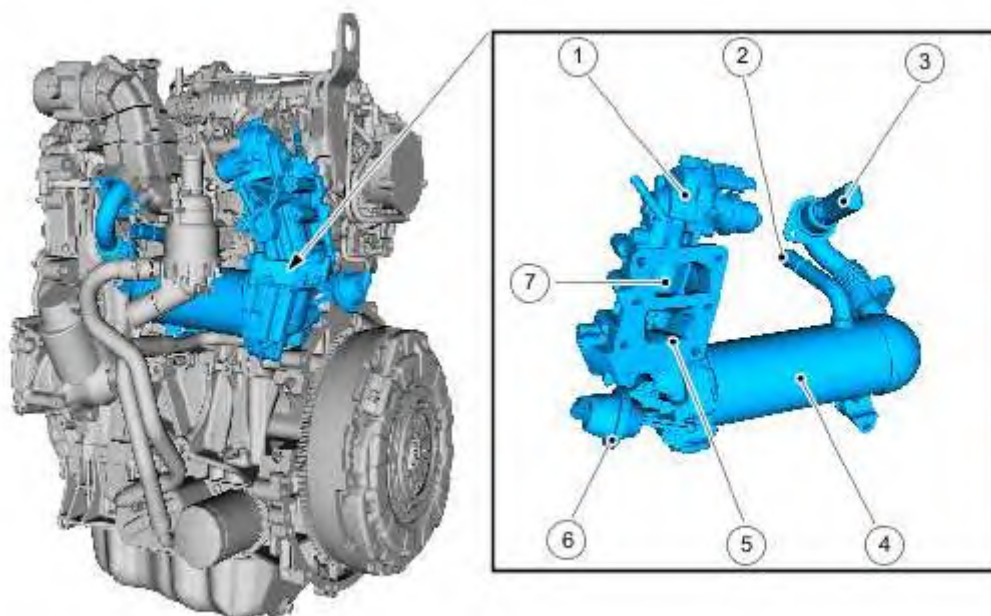

Crankcase Ventilation System

E230742

Item	Description
1	Crankcase ventilation hose
2	Oil separator box
3	Pressure control valve
4	Drain tube

Exhaust Gas Recirculation (EGR) System

E230501

Item	Description
1	EGR (exhaust gas recirculation) valve
2	Coolant outlet
3	Cooled exhaust gas to intake manifold
4	EGR cooler
5	Hot exhaust gas to the EGR assembly
6	EGR cooler bypass vacuum actuator
7	Coolant inlet
