

The first visit to Renault (free)

This visit enables the Renault network to carry out various checks and top up various fluids (details on page 04-4).

The second and subsequent Renault visits (free)

This visit has the same principles as the first visit. It is carried out free by the Renault network **9 000 miles (15 000 km) or 1 year** after the last service if it was carried out by the Renault network (the corresponding coupon must be filled in) (details on page 04-4).

The A service

During this service, service operations and parts replacement will be carried out, depending on the mileage of your vehicle.

The A service is based on a list of operations including an oil change, replacement of the oil filter, inspections and topping up the levels (details on page 04 - 5).

Added to this list are extra operations that are carried out at the appropriate times, as set out on page 04 - 6.

The B service

This service follows the same principles as the A service, but the operations list is longer as more checks are carried out. The list includes an oil change and a road test as well as specific checks and topping up (details on page 04 - 5).

Added to this list are extra operations that are carried out at the appropriate times, as set out on page 04 - 6.
